# Roles

We've created roles (which are basically just groupings of users) to match the different teams within our department. The only real purpose of roles is so we can restrict permissions of certain shelves, books, chapters, or pages to specific groups of users. The following lists the different roles we've created as well as their membership.

## Product Management

- David
- Brock
- Logan
- Maria
- Kelsee

## Architecture

- David
- Michael
- Quinn
- Royce
- Brian R

## Automages

- Brock
- Logan
- Quinn
- Bryan
- Rachel
- Josh B
- Josh R
- Eric F

## Dark Mode

- Maria
- Royce
- Abraham
- Kendra
- Peter
- Ryan
- Craig

## Engineers

- Quinn
- Bryan
- Rachel
- Josh B
- Josh R
- Royce
- Abraham
- Kendra
- Peter
- Ryan

## QA

- Michael
- Eric
- Hayden
- Craig

## Cloud Ops

- Brian
- Emily
- Taylor
