# Official Docs

The official TypeScript Documentation can be found at <https://www.typescriptlang.org/docs/>

Some particularly useful links from the docs include...

- [Cheat Sheets](#): Syntax reference pages for different parts of everyday TypeScript code (like Classes, Interfaces, Types and Control Flow Analysis)
- [Handbook](#): A comprehensive document that explains TypeScript to everyday programmers
- [Playground](#): A sandbox to experiment with TypeScript

# TypeScript Playground

[TypeScript Playground](#) is an online editor that allows you to write TypeScript or JavaScript code online in a safe and sharable way. You can write and run your TypeScript code online and see the result in a live view or in the editor console.
