

# When Taylor is out

- Security questions about Revver or security questionnaire questions: - **Brian Rice**
- If a requestor (mainly sales) reaches out about a customer wanting to see security documentation, share [this link](#) with them (NDA needs to be in place before any information is shared) - **SE's (Jim Wheeler and David Gaisford), then Brian Rice if they can't help**
- If they need help with the NDA workflow or checking progress with a signature for an NDA - **Kelsee Beck**
- Audit questions - **Brian Rice**
- IT questions - **McKay Christensen**
- If your question is not covered here - **Ask Brian Rice or Emily**

**If you think you still need to contact Taylor and it's urgent. Have Emily or Brian try his cell**
